This is the time of year when love is in the air — but not in this comic! And what better way to prove that than by ruining Valentine's Day for your archenemy?

Well... that was the plan, at least, but we guess that girls, even Buttercup, have a soft spot for love. Oh well, if we can't beat 'em we might as well join 'em — and read some fan mail. Let's see if this month affected our fans like it does us. Do you love the Powerpuff Girls, or love them not?

TIERNEY ANDERSON
VIA THE INTERNET

Dear Powerpuff Girls:

I love you! I have Powerpuff Girl dolls. I love your TV show. I have a new Powerpuff Girl comic book.

JULIA NYBONDAS
VIA THE INTERNET

Dear Powerpuff Girls:

My favorite cartoon is Ed, Edd n Eddy, but my second favorite is the Powerpuff Girls. And my favorite character is Buttercup, and my friend's favorite is Blossom. I would like a comic that is about the Powerpuff Girls fighting each other in a contest in which the winner gets a killer skateboard.

LOUISE BOYCE
VIA THE INTERNET

Dear Powerpuff Girls:

Hi. I am from Great Britain. I just wanted to say that I love the Powerpuff Girls, but I am not a kid — I'm 18 years old and proud of it. My fave characters are Bubbles and Mojo Jojo. I have only just picked up the comic and I think you are doing a great job, as I don't have any access to Cartoon Network. It also adds some lighthearted relief to some of the more serious comics I read!

SHERRY
VIA THE INTERNET

Dear Cartoon Network,

I love the Powerpuff Girls! I hope you guys keep coming up with more great comics and shows. My favorite Powerpuff Girl is Buttercup because she doesn't take flak from anyone and she's the toughest one in the Powerpuff Girl group! Good luck on future episodes and issues! Could you put my letter in one of your issues? Please??

Hey, kids, write to dcocartoon@aol.com or mail to DC Comics, 1700 Broadway, New York, NY 10019. To subscribe, call 1-800-887-6789.

Dear DC Comics:

I love the Powerpuff Girls. They sure have filled the void. They are the sole kindergarten super-hero girls in the world. They rule!

So far I have their comics, two videos, sheets, toothbrush, and one shirt and stamp kit. Please keep up the great work and tell the girls we love 'em and rock on!

STEPH SUAREZ
WATSONVILLE, CA

Dear DC Comics:

Hi, girls. I just want you to know that I'm probably the biggest Powerpuff Girls fan ever! I have just about everything — the watch, shirts, purses, the bed set, socks, posters, the Heroes and Villains CD, the Game Boy games sets.

My favorite Powerpuff Girl is Buttercup because she acts like me. I am sort of like Buttercup and the Princess put together. I'm mean and I'm a spoiled brat! And I'm not afraid to admit that! Anyway, I sent a drawing too! Well, gotta go!

Uh, thanks, Steph! We're sure that you're just exaggerating. If you were really that spoiled, you would probably have a subscription to all of our kids' titles — heck, maybe if you really wanted to rub it in, you'd even have two subscriptions to POWERPUFF GIRLS.
